WHO WE ARE

QUICK BIZ CAPITAL LLC is a SAM registered small business supporting federal, state, and local government procurement and prime contractors with **commercial product sourcing, RFQ response support, and end-to-end fulfillment**. We prioritize **procurement accuracy, documentation, and responsiveness** to help buyers obtain the correct items quickly and close purchases efficiently.

CORE CAPABILITIES

- **Commercial product sourcing & procurement support** (B2G/B2B)
- **RFQ/RFP quote support:** item research, part number/SKU verification, lead times, and pricing
- **Product identification & equivalency support** (when permitted by the solicitation)
- **Order management:** PO processing, status updates, and buyer-approved substitutions only
- **Logistics coordination:** shipping, tracking, delivery confirmation, and issue resolution
- **Procurement documentation:** quotes, packing slips, invoices, and organized closeout-ready records

DIFFERENTIATORS

- **Procurement accuracy first:** verified part numbers and clear lead times to reduce rework and delays
- **Buyer-ready documentation:** clean, traceable records that support acceptance, invoicing, and audit readiness
- **Fast response & communication:** timely quotes and proactive updates throughout fulfillment
- **Prime-friendly:** effective subcontract support for quoting and fulfillment execution
- **Scalable delivery:** supports one-time purchases and recurring supply requirements
